Features

Inside beltline convenience

This custom built Parade Home (1999) sits on a cul-de-sac with inside beltline convenience just outside the beltline near Crabtree Valley. You are just minutes away from two city parks, the Crabtree Greenway and the shopping centers at Crabtree Valley and North Hills.

A floor plan and updated flyer will soon be available on our websites.

Large landscaped yard

The large trellis covered deck overlooks the fenced backyard with an irrigation system and dry-stacked stone borders. The landscaped 0.26 acre lot is big enough for both games and gardens.

Up and down master bedrooms

The luxurious 1st floor master bath (right) shares a fireplace with the vaulted 20x13 ft MBR. The large L-shaped BR#2 (left) could be an upstairs MBR or rec room. There is lots of storage with big walk-in bedroom closets and 2 walk-in attic spaces.

Hardwood floors sparkle in the breakfast room that nicely adjoins the family room and opens to the deck.

The 14x12ft Hobby Room is adjacent to the kitchen and garage. It could be an office, exercise or play room.

The soaring ceilings and a balcony could be a set for a Shakespeare play.

The handsome kitchen with solid surface counter tops is nicely located for entertaining many or serving family.
