

Plenty of off-street parking on the brick parking pad and patio.

The back right bedroom could have a private full bath added in the current laundry room.

SECOND FLOOR

* Ceiling Height Less Than 7 feet

Think of the 2nd floor as a suite.

With a 3rd bedroom, half bath (big enough to add a tub or shower) and adjacent Hobby Room, this is a versatile space that could be an office, exercise space or playroom. The Hobby Room is big enough for one or two single beds. The neat nooks (*) each with windows can be a hide-away for kids of all ages.
