

History - This structure appears to be the old detached kitchen that was incorporated into the main house years ago. The Sunroom/Breakfast area was added in 1991.

Possibility - The 1st floor bedroom could become a master suite with the addition of a door to the adjoining bathroom.

Possibility - A 2nd upstairs bath & closet could be added in the "unfinished" room, now the laundry. The right front bedroom could become a master suite by connecting it the proposed new bath and closet.
