

Exterior Front

Beautifully landscaped yard with zoysia grass lawn. This home is located on a cul-de-sac and has tons of curb appeal!

Living Room

A view that shows off the size of the living room. The floor plan is open and this room flows into foyer and dining room.

Kitchen

The kitchen is also spacious with classic white appliances and plenty of storage. There is a large utility room/pantry off to one side. The room is open to the dining room.

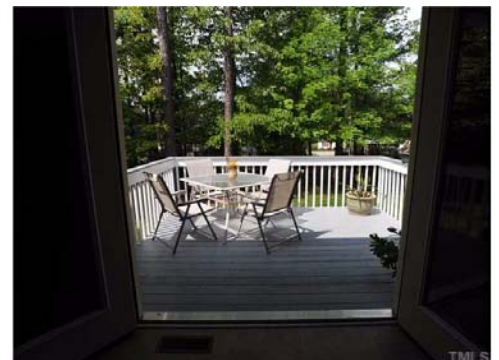

Dining Room

The dining room, like all of the rooms in this home, is large and open. It features beautiful french doors that lead to the deck and backyard.

Master Bedroom

Master bedroom is also quite spacious. It has neutral paint and carpet window with view of backyard.

Patio/Deck

French doors open wide to deck and is convenient for cookouts and entertaining.

Exterior Back

The yard is lush and the surrounding trees makes it private.

Foyer

Home has nice sized foyer with plenty of room for storage bench or console table. Foyer opens to living room.

Living Room

Living Room

The living room is huge! It features a fireplace, neutral paint, and new laminate flooring.

Dining Room

This view again shows off the open floor plan.

Master Bedroom

The master also has its own private master bathroom.

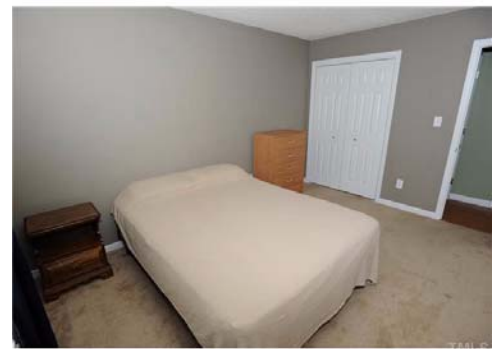

Master Bath/Spa

The master bathroom features an easy to keep clean fiberglass tub and shower combo, nice sized vanity, and updated light fixtures.

Bedroom

Another additional bedroom. It is a nice size room as well.

Bedroom

Another view of the bedroom shows nice sized closet.

Bedroom

One of the two additional bedrooms is currently being used as an office.

Bedroom

All bedrooms have nice sized closets and neutral carpet.

Bathroom

The guest bathroom has an updated mirror and light fixture.

TMLS

Exterior Back

The exterior of the home has been landscaped as well.

TMLS

Patio/Deck

The backyard is perfect for entertaining! The deck has been freshly painted and the wood lot has a cozy private feel.

TMLS

Exterior Front

Home has one car garage that has been insulated and is cooled. It could easily be converted to additional living space if desired.

TMLS

Exterior Front

Exterior door has been updated as well.
